ACM-BCB 2015
The 6th ACM conference on Bioinformatics, Computational Biology and Health Informatics

Student Educational Session
September 12th, 10 - 12

Join student educational session to have a conversation with some of most exciting and prestigious faculties and industrial people about their journey in academia and industry.

How to have a technical presentation?
How to prepare for career in academia?
How to land the first job in industry?
How is the perspective of hiring manager?

Academic Speakers:

Dr. Meral Ozsoyoglu, Case Western Reserve University

Dr. Aidong Zhang, NSF/CISE/IIS and SUNY at Buffalo

Industrial Speakers:

Dr. Donghui Wu, Chief Data Scientist, Knowledgent Group Inc

Dr. Xin Deng, Data Scientist, Microsoft

Dr. Caitlin Kelly, The Communication Center, Georgia Tech

Chair: Marzieh Ayati, Case Western Reserve University
Co-Chairs: Hang Wu, Li Tong, Georgia Tech
